Make a list of the activities that they will be conducting. As long as it is not environmental sampling, 6md will work with us. Put the activities and list of people together and send to Troy Hill.

Mike McCorkhill has not completed the 24hr initial HAZWOPER training nor any other H&S training. **Therefore he is not authorized to deploy in support of the Gold King Mine Spill.**

Donn Walters is overdue on his annual 8hr HAZWOPER refresher training; last date of training was on 5/21/14. **Therefore he is not authorized to deploy in support of the Gold King Mine Spill.**

Please let me know if you have any questions.
